3. FOL Shipments The following amounts of POL products arrived at the OROF dump at Freudenau, Vienna II.

Carloads	Article	"eight
70 1 138 43 1	lubricants paraffine gasoline crude oil residue kerosene diesel fuel	1155 tons * 15 tons 2414 tons 931 tons 15 tons 408 tons
		The sale of the second of the
Tota.	1	4938 tons

Of this amount, 712 tons were shipped by tank car and the rest by CROP tank trucks to various parts of Austria.

*This figure gives some credence to a recent report from another source, indicating that the Central Administration of Soviet Oil Companies in Austria in early May 1948 sent out an order to raise production of lubricants about 80%.
